ROUTING INSTRUCTIONS

In those instances where B/E Aerospace is responsible for payment of freight charges, all decisions concerning the routing and mode of transportation are the responsibility of B/E Aerospace Corporate Transportation. The use of expedited or other premium services must be approved in advance by the B/E Aerospace Buyer or Logistics Manager.

Late shipments must be expedited at the expense of the Supplier.

Prepaid and ADD (PPD) is not an option. B/E Aerospace **will not** pay any invoice from a Supplier that has prepaid and added freight costs.

Shipping / Delivery Addresses

All shipments for the account of B/E Aerospace should be delivered / consigned to the address listed on the Purchase Order.

Import / Customs clearance / Customs warehouse

Kuehne + Nagel is our Import Broker in the Philippines at all airports for customs clearance and for delivering goods directly to our sites. In some special cases other import agents manage customs clearance for BE Aerospace. For example, airlines may send their goods for repair with their selected courier or freight forwarder.

B/E Aerospace has established a “bonded warehouse” to save duties and taxes on certain parts for specific sites. The processing of duties and taxes on these shipments is performed by Kuehne + Nagel.

Insurance

B/E Aerospace is responsible for insurance. Unless specified in these or subsequent instructions (e.g. Letter or Credit), B/E Aerospace will assume responsibility for providing the appropriate cargo insurance. Any insurance charges indicated on the invoice will delay payment. *Note: Do not enter a Declared Value for Carriage on the FedEx shipping label.*
